MEMORANDUM FOR: MR. DULLES

SUBJECT : Briefing for Senator Henry C. Dworshak

I understand from [REDACTED] that you are contemplating a meeting with Senator Dworshak sometime soon to brief him on the status of our new building among other things.

STATINTL

I would recommend that you not discuss the building with the Senator if it can be avoided. We know now that approximately [REDACTED] of our present strength cannot be accommodated in the new building. While we have discussed the possibility of a reduction in our strength on many occasions, it is a fact that we do not have a program to bring about any substantial reduction. I think the chances are good that Senator Dworshak, if given the opportunity, might seize upon this situation to give us unfavorable publicity or otherwise cause us embarrassment.
